Lara Rondinelli, RD, LDN, CDE is the Diabetes Center Coordinator at Rush University Medical Center in Chicago, and is lead dietitian for the American Diabetes Association diabetes Triangle D camp in Illinois. Jennifer Bucko (Chicago, IL) is a Certified Chef from a Le Cordon Bleu program and an adjunct faculty member of the Robert Morris College Culinary School in Chicago.

Great cookbook. Some familiar dishes with a slight change in ingredients. Definitely some healthy dishes. Some I've had to spice up a tad bit but not bad at all.

Some really great meal ideas. It is a great help for a new diabetic.

Great recipes for a newby like me. Learning to eat properly is one of the hardest things as a new diabetic and this book has some great ideas.

Yummy low carb recipes. You don't have to sacrifice taste when you sacrifice carbs. The prosciutto wrapped asparagus is my favorite.

Passing the book on to Goodwill. As much as I enjoy cookbooks I was sure this was a winner. Easier and better response with Google.

a few good tips but in general the information did not agree with the information I received in Diabetes training classes and from my health counsler

I bought this as a gift to my father-he has recently discovered that he has diabetes. My family loves this book it has helped them stay healthy and eat the things that they love just with a different twist.

Item received in better condition than I expected.
