Kingdom Man Devotional

Synopsis

Kingdom Man Devotional is based on the principles and concepts presented in the book Kingdom Man. For the man who wants to be the leader that God has called him to be, this 90-day devotional will help him explore the scriptural mandate to exercise dominion and take responsibility over the various areas of his life. This devotional will challenge and encourage men to embrace their role of provider, protector, cultivator, champion, visionary, and leader, discipling them in the areas of responsibility and spiritual authority. Kingdom Man Devotional challenges and equips men to fully understand their position under God and their position over what God has given them, while challenging them to initiate the practical implementation of leadership principles.

This is a pretty good devotional. I'd rate it higher if each day's devotion had a specific scripture tied to it. Many of the days do not even mention a scripture passage. I would categorize this devotional more for men early on in marriages more so than men who have been married awhile. I did like how the author brought stories from sports into the devotional which were interesting and compelling.

Bought this for my son. Tony Evans is awesome! My son is enjoying it. There are questions at the end of each day so it engages him in the devotion and in thought. I like that.

I so enjoy reading books by Tony Evans. We are using his Kingdom Man studies at our Church. He is very knowledgeable and makes the studies very interesting. I would recommend his books to

everyone.

I purchased this for my husband as a Father's Day gift. He absolutely loves it. It is not one of those that has to be read starting in January, it has no dates in it so you can start it at any time of the year. The devotions are excellent and just what he needs to read some days, speaking right into a situation that is going on in our lives.

A man's devotional, topics that we can relate to. Short and to the point, with food for thought to get you through the day.

Great, God Inspired

My Husband absolutely loved studying this and shared many devotionals with me. Definite Christian Manly Mans devotional

We need a focus on charging men to take their Biblical responsibility as such seriously.
