Customer Reviews

Philip Yungkin Lee is a native speaker of Chinese and has taught Chinese in Adult Education and at university level. He is also the author of A Chinese Character A Day Practice Pad Volume 1.

This is a follow up to the Volume 1 which has helped me set a target to achieve my goal to learn and write a character each day, stroke by stroke. It also allows me to review the previous characters that I have learned. Very handy and available any time I need it. A quick and easy way to learn writing Chinese characters offline without the costly investments of online learning. A brilliant idea to learn Chinese!

I just received this product and I think it's fabulous! I wish I had bought Volume 1, too, but it seems to be out of stock. I know some characters already, but this is a great way to brush up on my

Chinese. I highly recommend it!
