Great piece for an advanced high school clarinetist. Piano is challenging but not too hard. One can pick and choose which movements if there are contest time constraints.

great

good!

I love the arrangements of Gerald Finzi's clarinet Op.23, "Five Bagatelles". My favorite is the Carol. The song was easy to learn and I was able to follow the piano accompaniment. I performed the piece for my Church's Advent service. The reviews were great. I am now working on learning the others songs. A clarinetist of intermediate skill can master these songs. Enjoy!

Wonderful, as I knew they would be.

This piece is very fun to play and not that hard to learn

Totally useless for a clarinet player. This does not have a separate clarinet part. A clarinetist would have to read this over the pianist's shoulder AND WOULD HAVE TO TRANSPOSE IT, unless he/she has a C clarinet.

Great piece! I really like the added bonus link to their website which provides listening and accompaniment tracks.
