The Pocket Oxford Greek Dictionary : Greek-English English-Greek

Synopsis

Covering the most commonly used vocabulary of everyday Greek life, as well as that found in general literature, this revised edition of the highly acclaimed Oxford Dictionary of Modern Greek is specially designed for tourists, travelers, students, and business people alike. This authoritative guide offers comprehensive coverage of 67,000 words and phrases, as well as some 82,000 translations, and includes many idioms and illustrative phrases in both Greek and English showing words in use. Information is given on points of style and usage, and appendices are included listing the principal parts of Greek verbs, place names, and personal names. Brought completely up-to-date with the monotonic spelling system for the Greek language, now the most widely used in Greece, this reference guide is a must for anyone Clearning or using Greek.

"This dictionary scores outstandingly well in comparison with others of its size."--Times Literary Supplement

Text: English, Greek

I flip to the back to see the translations for names, just wished it showed the translations for words, not just names

The word pocket implies a very compact book capable of being carried around. It's too large for that

but it is a very valuable reference which translates English to Greek and Greek to English. For someone like myself (who spoke Greek over 50 years ago) this turns out to be very useful and has been used (both ways) since I received it. My wife has an identical dictionary except hers is Italian - English. She uses hers regularly and has done so for years.

haven't used it since purchase. I did get a brief look inside and know it will satisfy my needs. I plan to look for books on present day conversational greek (learn the language.)

One of the best concise Greek-English / English-Greek dictionaries I have encountered. I'd have preferred the hard case binding but the price was prohibitive. The typeface and size of text is quite readable and easy to sift through.

very good

Excellent reference book. My fiance uses it to study somewhat technical financial and insurance terms in English. She is a native Greek speaker so she tells me that the book is very good.

much bigger than i needed for my travels and not quite was i was looking for, a great basic dictionary though.

Great dictionary!! Not a true "pocket size", which makes it better in my opinion because the print is a bit larger and clearer.
