# The Great Northeast Brewery Tour: Tap Into The Best Craft Breweries In New England And The Mid-Atlantic

## Synopsis

As craft brewing becomes increasingly inventive, with new beers demonstrating remarkable complexity, one region of the United States is particularly notable for its fascinating brewing scene: the Northeast. New England and the Mid-Atlantic boast some of America's most interesting craft breweries--there, beer lovers can discover exceptional brews, lively taprooms, spectacular views, and many other qualities that make the Northeast a must-visit region for anyone interested in craft brewing. In *The Great Northeast Brewery Tour*, beer expert Ben Keene introduces readers to sixty two of the most incredible breweries in Maine, New Hampshire, Vermont, Massachusetts, Connecticut, Rhode Island, New York, New Jersey, Pennsylvania, Maryland, Delaware, and Washington, D.C. Breweries like Allagash Brewing in Portland, Maine, and Smuttynose Brewing Company in Portsmouth, New Hampshire, allow visitors to tour the facilities, offering an inside look at how great beers are created. Places such as Brewery Ommegang in Cooperstown, New York, where visitors can try delicious Belgian food to accompany Belgian-style ales, and Harpoon Brewery in Boston are surrounded by stunning landscapes. Each brewery discussed is unique and special, much like the region's brewing heritage. Brewery profiles include interesting facts about each brewery and its history, along with useful practical information like directions, nearby accommodations, and local dining options that highlight craft beer. Spectacular full-color photography accompanies each profile, and sidebars throughout the text provide supplementary information on tasting methods, beer styles, and more. *The Great Northeast Brewery Tour* is an ideal resource for anyone interested in beer, whether you're planning a trip across the Northeast or simply curious to learn more about the region's innovative beer scene.

This book is part travel log part tasting tips about craft breweries up and down the east coast. If you love craft beer, people and great stories of how it all began, this is the book.

Great book. Great gift for beer lovers.

Nice pictures. Guy knows next to nothing about brew craft. No in depth anything. If you want to know what chow place is next to the brew establishment, this is your book. Also, mostly pointed at those establishments right out of the chute with no background. Interesting, but so what. Those in the know, avoid.

When I purchased this book, I thought it would have more breweries. Since my wife and I have been talking about starting to do some brewery tours, this is a start.

Great gift for the beer lover, Ben captured some wonderful places in his tour!

Beautiful book!!
