Art Deco Stained Glass Pattern Book (Dover Stained Glass Instruction)

Synopsis

The geometric orientation of Art Deco and its brilliant hard colors make this style perfect for the medium of stained glass. This collection contains 91 newly rendered, yet authentic, Art Deco patterns, which constitute a rich source of ideas for stained glass workers. The designs represent the major Art Deco motifs and sub-styles – abstract patterns in both straight-line and curved motifs; representations of men and women in characteristic 1920s garb; geometrically stylized birds, trees, and animals; and the flowing forms of flowers and plants that are a holdover from the Art Nouveau period.

love it

expected more creative patterns

Great book of patterns. I like them all. Highly recommend to any one who likes art deco. Easy to more difficult patterns.

I think that Ed. Sibbett Jr. is one of the greats in stained glass. The patterns are very well put

together, easy to copy, and cut, and are very artistic in nature.

Just as described, perfect addition to my collection.

Very nice book, great ideas to execute in glass, original art, immediate shipment, great price. Five star outfit and five star material.

A really nice book with many great patterns. I plan to make many of them.
