The Little Book Of Glasgow

Synopsis

The Little Book of Glasgow is a funny, fast-paced, fact-packed compendium of the sort of frivolous, fantastic, or simply strange information which no one will want to be without. Here we find out about the most unusual crimes and punishments, eccentric inhabitants, famous sons and daughters, and literally hundreds of wacky facts. Geoff Holder's new book gathers together a myriad of data on Glasgow. There are lots of factual chapters but also plenty of frivolous details which will amuse and surprise. A reference book and a quirky guide, this can be dipped in to time and time again to reveal something you never knew. Discover what happened to Bonnie Prince Charlie's boots, find directions to an Egyptian pharaoh and a Native American chief, and where you can find half-a-dozen Tardises. A remarkably engaging little book, this is essential reading for visitors and locals alike.

Book Information
