Customer Reviews

The excellent reproductions show to good advantage Ms. Frankenthaler's disciplined compositions, whose artful simplicity exemplified what Ms. Boorsch calls the "endless, stunning possibilities that can result from extreme restriction." -- The New York Times Book Review, Ted Loos

The book is the most comprehensive and clearly written about Helen Frankenthaler's prints I have purchased. It is a terrific resource loaded with color reproductions of each print in addition to black and white photographs of the prints being made. I am delighted to own this book!

Good book good price.
