Customer Reviews

My bf's a truck driver and decided to buy this. I told him it was an outrageous price he paid and the shipping was ridiculous! \$53.97 total and when it arrived the actual price that is in the right hand corner of the atlas is \$16.95!!!! What an upcharge! This company is clearly ripping people off!!!!!!!!!! Don't waste your money! I can see paying a little more due to a convenience charge but that much more is a bit much!
